

BECID 1 is coming to an end

BECID

May 26, 2025 ·

Since 2022, we've been actively working to counter information disorders and promote media literacy across the Baltic countries. Our first funding period concludes in May, but this is far from the end for BECID. A new chapter begins in June with the launch of our next funding phase – BECID 2. We'll be sharing more about its focus and goals soon. But for now, it's time to reflect on everything we've accomplished over the past few years.

Here's a collection of our annual reports:
